Dear Mr. Visek,

As a result of last week Tuesday's discussion between Executive Vice President Timmermans and [REDACTED] during the WEF CEO Action Group for the European Green Deal meeting, it has been suggested by Vice-President Timmermans that we should liaise with you to discuss further the ideas expressed during the meeting on Farm to Fork initiative to integrate outcome goals on soil health, Greenhouse Gas emissions, yield, biodiversity and water.

Please let me know when it would be convenient to set up a video call with our experts after mid-April.

Best regards
