Subject: link to SUR consultation and attendance - following meeting this morning

Dear [redacted]

Nice to meet you this morning.

Attached below is the link to the consultation on SUR which is still open until Aug 22nd.

As discussed this morning, it might be useful to circulate to those attending the meeting, so that they can give feedback as part of the formal consultation process.

I would be grateful also if you could send the list of those attending this morning, when you can.

Kind regards,

Morning [redacted]
Understood. Look forward to meeting you [redacted]

Haven't had any specific questions from participants but if you could cover the key elements of the proposal, and with the experience of the first council discussions, give some thoughts on how you see negotiations progressing that would be much appreciated. In addition, one of the companies attending will be really interested to know more about how the proposal can incentivise manufacturers to bring more Biologicals to the market.

Hope that helps. Sure there will be plenty of questions in the room given the cross section of the chain that will be there.

See you tomorrow

Best
