

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: LINDQVIST, Roland

Title: Prof.

Profession: Scientific Advisor, Swedish National Food Agency

Current EFSA involvements: Member-BIOHAZ Panel 2012-2015 (BIOHAZ), Member-WG on development of risk ranking tool (BIOHAZ)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a management body or equivalent structure			NO INTEREST
III. Member of a scientific advisory body	04/2008 - now	-Name: U.S. Food and Drug Administration's (FDA), Center for Food Safety and Applied Nutrition (CFSAN), pool of external experts peer review	I am a member of U.S. Food and Drug Administration's (FDA), Center for Food Safety and Applied Nutrition (CFSAN), pool of external experts peer reviewing documents addressing various aspects of food safety
	01/2000 - now	-Name: Swedish Board of Zoonoses	Advisory Board to the Swedish Zoonoses Center, located at the Swedish Veterinary Agency. The board constitutes a forum for sharing information, discussing strategic matters, and interacting on specific issues.
	02/2010 - 10/2012	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - MRA Network (BIOHAZ)

	04/2007 - 12/2010	-Name: National Food Administration	As part of my present employment I am a member of the Scientific Advisory Group of the Department of Reserach and Development
	01/2000 - 12/2005	-Name: WHO/FAO expert meeting	Participated in several expert meetings during my participation in the WHO/FAO working group on the Listeria risk assessment
IV. Employment	01/2010 - now	-Name: Swedish Agricultural University	I am working as an adjunct professor (20%), at the Department of Microbiology. I research and teach in subjects related to Food Microbiology and Risk assessment.
	08/1994 - now	-Name: National Food Agency	I work at the Department of Risk and Benefit Assessment at the National Food Agency (80%). In my present position since 2011 but altogether since 1994. The National Food Agency is a Government agency dealing with risk management, risk communication and risk assessment concerning food and nutrition
V. Ad hoc or occasional consultancy	06/2009 - 08/2011	-Name: ILSI	Participated in a working group to write report on "Tools for Microbiological Risk Assessment". Report published in January 2012. The report was a general review of existing tools to summarise the state of the art. The report did not include any advice to ILSI or recommendations that would imply preference for any specific tool. Further, except for travel costs no financial or other support was accepted. Thus, in my opinion there is no COI.
VI. Research funding	01/2012 - now	-Name: No private funding	The research (co-)funding I received from the private sector in the latest full budget year, and for the areas covered by the Panels, does not exceeds 25% of the total annual research budget that is managed by me
	11/2008 - now	-Name: Swedish Agricultural University	Stress response and predictive microbiology of S. aureus and E. coli to lactic acid and pH
VII. Intellectual property rights			NO INTEREST
VIII. Other membership or affiliation	01/2008 - now	-Name: American Society for Microbiology (ASM)	Member of Professional Scientific Society for Microbiologists
	01/2008 - now	-Name: International Association for Food Protection (IAFP)	Member of Scientific society for professionals working with different aspects of food protection
IX. Other relevant interest			NO INTEREST
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.

Date: 04/02/2013 Signature: **SIGNED**
