

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: LOVIK, Martinus

Title: PROFESSOR

Profession: Department Director, Professor

Current EFSA involvements: Member-GMO Panel 2012-2015 (GMO), Member-Applications-Food and Feed (GMO), Member-Food Allergy 2012-2015 (NDA)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a management body or equivalent structure			NO INTEREST
III. Member of a scientific advisory body	07/2012 - now	-Name: EFSA, European Food Safety Authority, Italy, Parma	Hearing Expert - CEF Panel 2011-2014 (CEF)
	01/2011 - now	-Name: Norwegian Health Directorate	Allergy to food and cosmetic products - expert group to give advice the Directorate regarding possible measures to reduce food allergy and allergic reactions against cosmetic products, and improve the situation for allergic individuals. Member. No vote. Advisory function only. Output: oral advice and information, meeting minutes, and a booklet with semi-popular papers on topics in food allergy (in Norwegian). No overlap with EFSA activities.

	01/2011 - now	-Name: Norwegian Health Directorate	Indoor air-related health problems (allergy, asthma, COPD, etc) - expert group to give advice the Directorate regarding possible measures to reduce indoor air-related adverse health effects and improve the situation for sensitive individuals. Member. No vote. The group has advisory function only. Output: oral advice and information, meeting minutes. No overlap with EFSA activities.
	08/2009 - 06/2012	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - Claims WG (NDA)
	08/2009 - 06/2012	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - Claims/Sub-Working Group 1: Gut/Immune (NDA)
	07/2009 - 06/2012	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - NDA Panel 2009-2012 (NDA)
	06/2010 - 05/2012	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - Updated GMM GD WG (GMO)
	01/2006 - 08/2010	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - Assessment of Allergenicity of GM foods (GMO)
	08/2009 - 06/2010	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - Ambrosia in feed (CONTAM)
	08/2009 - 05/2010	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - Wg on Parasites in fishery products - (EFSA-Q-2009-00516) (BIOHAZ)
	07/2006 - 06/2009	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - NDA Panel 2006-2009 (NDA)
IV. Employment	01/2000 - now	-Name: Norwegian University of Science and Technology	Professor of Medicine (Immunology of allergic and infectious diseases). Tasks: teaching, research
	10/1982 - now	-Name: Norwegian Institute of Public Health	Position: Department Director, previously Department of Environmental Immunology, from 1 January 2012 Department of Food, Water and Cosmetics, Division of Environmental Medicine Tasks: Department management; providing information and advice to the Government, to health authorities, and to health personnel; conducting research and health survey activities; laboratory analytical activities. The tasks are with regard to food are limited to risk assessment and advice to health authorities, with no responsibility for risk management regarding food (some limited risk management responsibilities within the area of water hygiene). Topics: Food, respiratory and skin allergy, asthma, immunotoxicology, other adverse effects on or caused by the immune system. New: food toxicology, in particular experimental research and risk assessment; water hygiene.
(Close family member)	01/1971 - now	-Name: Oslo University Hospital, Rikshospitalet	Nutrition expert working, among other things, with celiac disease and food allergy. Tasks: Teaching, research, hospital nutrition guidelines and policies, patient education and counselling.
V. Ad hoc or occasional consultancy	07/2007 - 11/2011	-Name: ILSI (International Life Sciences Institute - Europe)	Member of Working Group on Allergic Reaction Registries, and follow-up group on European Anaphylaxis Register. All work was about the organization of a pan-European anaphylaxis register, with no work on particular food allergens and no work on any chemical substance. Unpaid; coverage of travel expenses for meetings. Terminated fall 2011.

	01/2006 - 11/2011	-Name: ILSI-RSI North America	Member of Risk Assessment for Food Allergen Thresholds Steering Committee, unpaid. No activity 2009-2011. All work was focussed on whether unpublished clinical data from American hospital records could be retrieved and used as a data base in addition to published studies for the most common food allergens. I participated only in the early discussions/planning stage. No risk assessment or specific work on thresholds. No work on any chemical substance. After long inactivity terminated fall 2011.
	03/2005 - 11/2011	-Name: ILSI (International Lie Sciences Institute - Europe)	Member of Working Group on Criteria for Identification of Food Allergens of Public Health Importance (till 2008), and follow-up Working Group on Criteria Application. Focus was on methodological studies, with application of the proposed criteria on the published literature on a number of food allergens, to see how the criteria worked with well-known examples of food allergens of different types. No chemicals were used as test cases. Unpaid. Terminated fall 2011.
VI. Research funding	10/2010 - now	-Name: Norwegian Government via GenØk Centre, University of Tromsø	Immunological effects of transgenic maize (i.e. Cry proteins/Bt-toxin)(immunogenicity, allergenicity, adjuvant effects). PhD project, my role co-advisor and Department Director (lab work in my department). "I did not receive any (co-)funding from the private sector in the latest full budget year, and for the areas covered by the Panels"
	02/2004 - now	-Name: European Commission	Research project NewGeneris (food, environmental pollutants and immune system effects). Project finished about mid-2012. "I did not receive any (co-)funding from the private sector in the latest full budget year, and for the areas covered by the Panels"
	01/2002 - now	-Name: Norwegian Research Council for Science and the Humanities	Research projects on food allergy or employing food allergy models (and other projects), with scientific publications. From 2009 member of reference group (unpaid; no funding for my own research) for research project funded by the Norwegian Research Council for Science and the Humanities on Anisakis in fish. "I did not receive any (co-)funding from the private sector in the latest full budget year, and for the areas covered by the Panels"
VII. Intellectual property rights			NO INTEREST
VIII. Other membership or affiliation	01/1985 - now	-Name: Norwegian Farmer's Association	Lay membership of the general organization for Norwegian farmers, because my country home is an old, small farm. Not active in that profession.
	01/1979 - now	-Name: Norwegian Association for Allergy and Asthma. Patient organization.	Asthma and allergy. Lay membership.
IX. Other relevant interest	06/2012 - now	-Name: Norwegian Government via GenØk Centre, University of Tromsø	At an international course in July/August 2012, aimed in particular at participants from developing countries and funded by Norwegian Government developmental aid funds, give two lectures: i) The health effects aspect of GMO foods ii) GMO foods and allergy. Standard University compensation.
	01/1985 - now	-Name: University of Oslo, and National Institute of Occupational Health	Academic lectures on aspects of allergy and immunotoxicology, about 5 - 10 per year
	10/2012 - 10/2012	-Name: Phadia, Thermo Fischer Scientific Inc., Uppsala, Sweden	One-day seminar 10 October in Uppsala on new developments in food allergy diagnostic tools, with round-trip airline ticket from Oslo and transfer expenses in Uppsala paid.

	11/2010 - 11/2010	-Name: Phadia, Oslo, Norway (branch of Phadia, Uppsala, Sweden)(now: Thermo Scientific (international allergy diagnostics company)	Academic lecture on new food allergens. Salary EUR 700.
