

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: BOLOGNESI, Claudia

Title: Dr

Profession: Researcher, head of the Environmental Carcinogenesis Unit, National Cancer Research Institute, Genoa, Italy

Current EFSA involvements: Member-CEF Panel 2011-2014 (CEF), Member-Genotox ad hoc WG (CEF)

| Nature of Activities | Period | Organisation | Subject matter |
|--|-------------------|---|---|
| I. Economic interest | | | NO INTEREST |
| II. Member of a management body or equivalent structure | | | NO INTEREST |
| III. Member of a scientific advisory body | 09/2009 - 04/2012 | -Name: EFSA, European Food Safety Authority, Italy, Parma | Member - Toxicology of Pesticides (PPR) |
| | 10/2009 - 10/2011 | -Name: EFSA, European Food Safety Authority, Italy, Parma | Member - Genotoxicity testing strategies (SC) |
| | 06/2008 - 09/2009 | -Name: EFSA, European Food Safety Authority, Italy, Parma | Member - PPR Panel 2006-2009 (PPR) |

| | | | |
|--|---------------|---|--|
| IV. Employment | 01/1986 - now | -Name: IRCCS Azienda Ospedaliera Universitaria San Martino- IST- national Institute for Research on Cancer. | <p>Employment not within EFSA's remit From September 1th, 2011 the National Cancer Research Institute, the Oncology Depts of the Genoa General Hospital and University were merged into a single Research Institute with a new denomination. The mission was not changed: "Know, Prevent and Treat Cancer"</p> <p>It hasn't any ownership or rights on RA guidance, methodologies, software and/or computational models used in a regulatory process nor an official capacity of Risk Management .</p> <p>C. Bolognesi is head of the Environmental Carcinogenesis Unit which focuses its research on studying carcinogenic and mutagenic chemical compounds and on identifying the interactions between the environment and genetic factors which cause cancer. An effort was directed to study and validate simple, rapid and sensitive genotoxicity tests to be applied in different systems in vivo and in vitro in evaluating the carcinogenic and mutagenic hazard of different classes or categories of chemicals and as biomarkers in human and environmental biomonitoring studies.</p> |
| V. Ad hoc or occasional consultancy | 05/2011 - now | -Name: Ministry of Health | Consultancy on the genotoxicity of PPPs through the delivery of assessment report, as support of the Italian National Committee for Pesticide registration. |
| VI. Research funding | | | NO INTEREST |
| VII. Intellectual property rights | | | NO INTEREST |
| VIII. Other membership or affiliation | | | NO INTEREST |
| IX. Other relevant interest | | | NO INTEREST |
| X. Interests of close family members | | | NO INTEREST |

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
