

## ANNUAL DECLARATION OF INTERESTS (ADoI)

*(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)*

**Name:** LEBLANC, Jean-Charles

**Title:** Dr

**Profession:** Head of the Food Risk Assessment division

**Current EFSA involvements:** Member-ANS Panel 2011-2014 (ANS), Member-Peer Review of Scientific Report on International Frameworks Dealing With Human Risk Assessment Of Combined Exposure to Multiple Chemicals (EMRISK), Member-WG 'A' Food additives and nutrient sources 2011-2014 (ANS), Member-WG on Aspartame (ANS), Chair-WG on Exposure Assessment (ANS)

| Nature of Activities   | Period        | Organisation                          | Subject matter  |
|--|---------------|---------------------------------------|---|
| <b>I. Economic interest</b>                                    |               |                                       | NO INTEREST   |
| <b>II. Member of a management body or equivalent structure</b> |               |                                       | NO INTEREST   |
| <b>III. Member of a scientific advisory body</b>               | 03/2012 - now | -Name: National Research Agency (ANR) | Member of ANR scientific steering committee on Ecosystems and Sustainable Developpement. This committee is dealing with research planification and programm to be adressed by research collectivity for the 2014-2018 period.<br>Deliver advices are made to the council of administration of ANR which is the final comittee who is deciding the nature and content for the call of annual research action programm to be adressed by national research institute. |

|--|-------------------|--|--|
|  | 02/2007 - now     | -Name: FAO/WHO or JECFA  | Invited participating expert in JECFA (Joint FAO/WHO expert committee on Food Additives) meetings/public organisation or FAO/WHO consultations. Acting as rapporteur or reviewer in exposure assessment for food additives, food contaminants and toxins as part of the final report adopted by the committee. Nature of advices delivered are like an opinion which are addressing risk assessment of substances for international risk managers within horizontal codex alimentarius committees (e.g food additives, food contaminants).<br>no right to vote.<br>no involvement in aspartame activities. indirect involvement (not drafting the exposure assessment, just participations to the discussion) in steviols exposure assessment, 2008. |
|  | 10/2012 - 10/2012 | -Name: EFSA, European Food Safety Authority, Italy, Parma                          | Member - WG on Exposure Assessment (ANS)   |
|  | 06/2010 - 10/2012 | -Name: EFSA, European Food Safety Authority, Italy, Parma                          | Chair - WG on Exposure Assessment (ANS)  |
|  | 01/2012 - 09/2012 | -Name: EFSA, European Food Safety Authority, Italy, Parma                          | Member - Mercury in food (CONTAM)  |
|  | 03/2010 - 08/2012 | -Name: EFSA, European Food Safety Authority, Italy, Parma                          | Member - WG 'Guidance on Food additives' (ANS)   |
|  | 03/2010 - 06/2012 | -Name: EFSA, European Food Safety Authority, Italy, Parma                          | Member - WG 'A' Food additives and nutrient sources 2008-2011 (ANS)  |
|  | 03/2010 - 06/2012 | -Name: EFSA, European Food Safety Authority, Italy, Parma                          | Member - ANS Panel 2008-2011 (ANS)   |
|  | 03/2010 - 12/2011 | -Name: EFSA, European Food Safety Authority, Italy, Parma                          | Hearing Expert - WG on Total Diet Studies (Data Collection Exposure)   |
|  | 03/2010 - 08/2011 | -Name: EFSA, European Food Safety Authority, Italy, Parma                          | Member - WG 'Guidance for pre-evaluation documents' (ANS)  |
|  | 07/2008 - 09/2009 | -Name: EFSA, European Food Safety Authority, Italy, Parma                          | Member - AFC Panel (AFC)   |
|  | 09/2007 - 09/2009 | -Name: AFSSA: French food safety agency  | Member expert of the AFSSA scientific committee on chemicals contaminants in food (2003-2009 period) and Member of the scientific expert committee on toxicity of phytosanitary products (2004-2007 period)  |
| <b>IV. Employment</b>                      | 06/2005 - now     | -Name: ANSES: French agency for food, environmental and occupational health safety | Expertise and research in food safety.<br><br>Indirect involvement in exposure work to food additives including aspartame or others sweeteners as head of quantitative risk assessment unit in support activities to the ANSES scientific committee on food additives (2005/2010) and as head of the food risk assessment department to the scientific committee on nutrition (on going, 2011-2012)  |
| <b>V. Ad hoc or occasional consultancy</b> | 09/2007 - 09/2010 | -Name: DG-SANCO  | invited hearing expert of the AD HOC working group on dietary intake of food additives in the EU. no right to vote, just participating in given expertise in the field of food exposure additives methodology. Overlap with efsa activities within the ANS Panel exist off course due to personel expertise views on how exposure assessment methodology need to be made to answer properly to the consumer safety.<br><br>no involvement in aspartame or any other intense sweeteners   |

|  |                   |   |   |
|--|-------------------|---|---|
|  | 09/2007 - 04/2009 | -Name: ILSI   | Invited expert of a working group on Margin of Exposure to genotoxic and carcinogenic substances.<br>Work was dedicated only as a contribution to the methodological activities in food exposure for some genotoxic and carcinogenic substances to be applied with the margin of exposure concept which was previously endorsed by ILSI/JECFA and EFSA by toxicological experts.<br>acting in this group in doing review based on exposure data report in literature for those compounds, so basically no new inputs.<br>The use made by the organization of the outputs of such expertise was to address comparative risk assessment of 12 genotoxic and carcinogenic substances using the MOE concept and to publish this work into FCT journal as a research work. |
| <b>VI. Research funding</b>                  | 01/2011 - now     | -Name: French ministry of research  | Emerging perfluorinated contaminants: contribution to the human exposure assessment, to the study of their metabolism and to the characterisation of their toxicological impact   |
|  | 09/2008 - now     | -Name: french ministry of research  | Exposure to pesticides mixtures of active substances and possible combined effects on human cells   |
|  | 01/2007 - now     | -Name: French ministry of health, agriculture, environment and economy and finances | Food risk assessment to traces elements, minerals, food additives, pesticides residues, pollutants organic persistants, toxins, etc...Total Diet Study for general population (2006-2010) and infants (2010-2013).  |
|  | 02/2008 - 01/2012 | -Name: French ministry of health  | National study of biomarkers of exposure to PCBs of high consumers of fishes rivers   |
|  | 09/2008 - 12/2011 | -Name: European Commission: Seventh framework programme                             | FACET Objective: food chemical exposure surveillance system for additives, flavouring substances and food packaging: ANSES work programme leader on food additives workpackage<br><br>methodological activities in exposure modeling  |
|  | 09/2007 - 04/2011 | -Name: French agency for environmental and occupational health safety               | Methodological activities on food exposure assessment to pesticides residues  |
| <b>VII. Intellectual property rights</b>     |                   |   | NO INTEREST   |
| <b>VIII. Other membership or affiliation</b> |                   |   | NO INTEREST   |
| <b>IX. Other relevant interest</b>           |                   |   | NO INTEREST   |
| <b>X. Interests of close family members</b>  |                   |   | NO INTEREST   |

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
