

## ANNUAL DECLARATION OF INTERESTS (ADoI)

*(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)*

**Name:** WILLEBERG, Preben

**Title:** Dr

**Profession:** Scientist

**Current EFSA involvements:** Member-AHAW Panel 2012-2015 (AHAW), Member-AHAW Meat Inspection (AHAW), Member-Scientific coordination group on meat inspection (BIOHAZ)

Nature of Activities	Period	Organisation	Subject matter
<b>I. Economic interest</b>			NO INTEREST
<b>II. Member of a management body or equivalent structure</b>			NO INTEREST
<b>III. Member of a scientific advisory body</b>	05/2011 - now	-Name: European Foot-and-Mouth Disease Commission, Standing Technical Committee	Discussions on technical issues relating to the FMD control in Europe and adjacent countries and regions.
<b>IV. Employment</b>	10/2011 - now	-Name: School of Veterinary Medicine, University of California	Currently in a 50% project position in a food safety training program funded by the Food and Drug Administration (FDA). The aim of this program is to develop a national food safety curriculum to train agency and industry personnel on standards for inspections, investigations and laboratory testing as well as training and certification requirements, auditing criteria and metrics for evaluating program performance.

	10/1999 - 09/2007	-Name: Danish Veterinary and Food Administration	Retired as the Chief Veterinary Officer for Denmark after 8 years of service. During those years I was responsible for surveillance, control and eradication of animal diseases such as BSE from 2000, highly pathogenic avian Influenza in 2006, Newcastle Disease in 2002 and obtaining Trichinella negligible risk status for pigs from the European Commission in 2007.
<b>V. Ad hoc or occasional consultancy</b>	02/2012 - now	-Name: Danish Veterinary and Food Administration	Participation as one of two experts in a "service inspection" of current Danish contingency plans and emergency preparedness procedures for notifiable animal diseases
	02/2012 - now	CONFIDENTIAL	Editing of a risk-analysis report regarding trade in live animals, according to a fully transposed EU legislation.
	04/2011 - now	-Name: PigCity	To advise on potential field trials to document the animal health and welfare effects of the proposed PigCity integrated production unit for pigs and tomatoes. I have signed an agreement with the company through COWI Consult A/S, which is in charge of the overall consulting activity for this project, to be paid per hour of service at an agreed rate. This past year I have spent less than 10 hours on this activity.  There is no relation to meat inspection in this project and therefore no COI.
	02/2010 - now	-Name: Replikins	Advising on potential scientific cooperations and partners to document the efficacy of Replikins in the surveillance and control of infectious animal diseases. I have signed a consulting agreement with the company Replikins LDT who pays me an annual compensation for time spent on the activities.  There is no relation to meat inspection in this project and therefore no COI.
<b>VI. Research funding</b>			NO INTEREST
<b>VII. Intellectual property rights</b>			NO INTEREST
<b>VIII. Other membership or affiliation</b>			NO INTEREST
<b>IX. Other relevant interest</b>			NO INTEREST
<b>X. Interests of close family members</b>			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
