

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: HEINONEN, Marina

Title: Prof.

Profession: Professor

Current EFSA involvements: Member-NDA Panel 2012-2015 (NDA), Member-Claims 2012-2015 (NDA), Member-ESCO Isoflavones (SAS), Member-Novel Foods 2012-2015 (NDA)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest (Close family member)	01/2003 - now	-Name: Huhtamäki Ltd	Expert and member of the family owns a small number of shares with a company producing packaging materials for foods.
II. Member of a management body or equivalent structure	01/2011 - now	-Name: University of Helsinki, Department of Food and Environmental Sciences	Vice director (responsible for social interactions) at the Department of Food and Environmental Sciences. Part of the managing body of the department.
III. Member of a scientific advisory body	01/2003 - now	-Name: Novel Food Board	Participation as a scientific expert in assessment of the safety of novel foods. No opinion drafting nor voting involved.
	07/2008 - 07/2012	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - Claims/Sub-Working Group 2: Cardio, Antioxidants (NDA)
	07/2004 - 07/2012	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - NDA Panel 2006-2009 (NDA) Member - AFC Panel 2004-2006 (AFC)

	01/2003 - 12/2009	-Name: Evaluation Group of Health Claims	Participation in scientific expert group discussions hosted by the national food safety authority (Evira) regarding selection of the health claims (Art 13) to be submitted to EU. No opinion drafting nor any voting involved.
IV. Employment	04/1984 - now	-Name: University of Helsinki	Teaching in food chemistry and chemical food safety and carrying out research activities regarding protein oxidation, antioxidant action and analysis of phenolic composition of food materials.
V. Ad hoc or occasional consultancy			NO INTEREST
VI. Research funding	03/2011 - now	-Name: Kiantama	Food compositional analyses on berry phenolics.
	01/2008 - now	-Name: Valio	Research including phenolic analyses on food products. Linked to the characterisation of food.
	01/2008 - now	-Name: Mildola	Research including phenolic and antioxidant analyses on rapeseed oil. Linked to the characterisation of food.
	01/2008 - now	-Name: Raisio	Research including phenolic and antioxidant analyses on food products. Linked to the characterisation of food.
	01/2003 - now	-Name: EU, Technological Research Agency of Finland, Academy of Finland	Research collaboration between academia and industry in research projects funded with Public resources. Our area of research is focusing on oxidation reactions of lipids and proteins and isolation, characterization and antioxidant properties of plant phenolics.
	01/2011 - 01/2012	-Name: EFSA	Tender to provide evidence reports identifying health outcomes upon which Dietary Reference Values could potentially be based for vitamins A, C, E, K.
	01/2008 - 05/2009	-Name: Natural ASA	Research including phenolic analyses on krill oil. Linked to the characterisation of food.
VII. Intellectual property rights			NO INTEREST
VIII. Other membership or affiliation	11/2007 - 12/2010	-Name: ILSI Expert Group on Phenolic Antioxidants Health Claims	Participation in scientific evaluation regarding public literature on antioxidant effects of polyphenols for cardiovascular health with a review paper published in J. Nutr. in 2011. This scientific work was not related to services provided to products, their development and/or assessment of methods carried out on behalf of trade associations or other bodies with an interest in this subject matter.
IX. Other relevant interest			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
