

## ANNUAL DECLARATION OF INTERESTS (ADoI)

*(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)*

**Name:** BAGGESEN, Dorte Lau

**Title:** Dr.

**Profession:** Head of division

**Current EFSA involvements:** Member-BIOHAZ Panel 2012-2015 (BIOHAZ), Chair-WG on Molecular Typing (EFSA-Q-2013-00032) (BIOHAZ)

Nature of Activities	Period	Organisation	Subject matter
<b>I. Economic interest</b>			NO INTEREST
<b>II. Member of a management body or equivalent structure</b>			NO INTEREST
<b>III. Member of a scientific advisory body</b>	06/2010 - now	-Name: Research school for organic agriculture and food system (SOAR)	Member of the Scientific Panel
	08/2008 - now	-Name: The International Centre for Research in Organic Food Systems (ICROFS)	Member of the National Committee

	04/2012 - 12/2012	-Name: LMC (Center for Advanced Food Studies) strategic network Food safety in a global perspective	<p>The overriding goal of the network is to develop and profile Danish research within Food Safety.</p> <p>The focus of the research within the network is developing control and intervention methods, en vitro and in vivo model systems for measuring virulence and toxicity, mathematical risk modeling and chemical and molecular methods for detecting and monitoring contamination in the Food Chain. Also, from a systembiological approach, the research is focused on fundamental molecular and physiological features of foodborne pathogenic microorganisms.</p> <p>The network is open for participation from all universities. The network strives toward active participation from the industry.</p> <p>The activities in the network are managed by a steering committee which includes participants from the networks' focus areas. I am heading the steering committee</p>
